About us

Formed in 2017, MMI Events uses the power of the photo booth to create standout events and maximum impact.

Imagination, inspiration and innovative technology come together in the MMI Events team.

We create and capture spectacular moments by matching the right photo booth with the right client. For us no two clients are the same and we will make sure that you get a bespoke event that is as individual as you are.

From idea to implementation, MMI Events will make sure every detail of your event is taken care of.

We deliver everything from brand activations to birthday bashes, corporate functions and consumer campaigns, and so much more.

MMI Events will help you inspire your clients, drive interaction and influence consumer behaviour.

Here are some of the packages
MIMI Events offers

MMI DIGI BOOTH

Perfect for all events, our MMI DIGI BOOTH is the most popular booth trend for 2020.

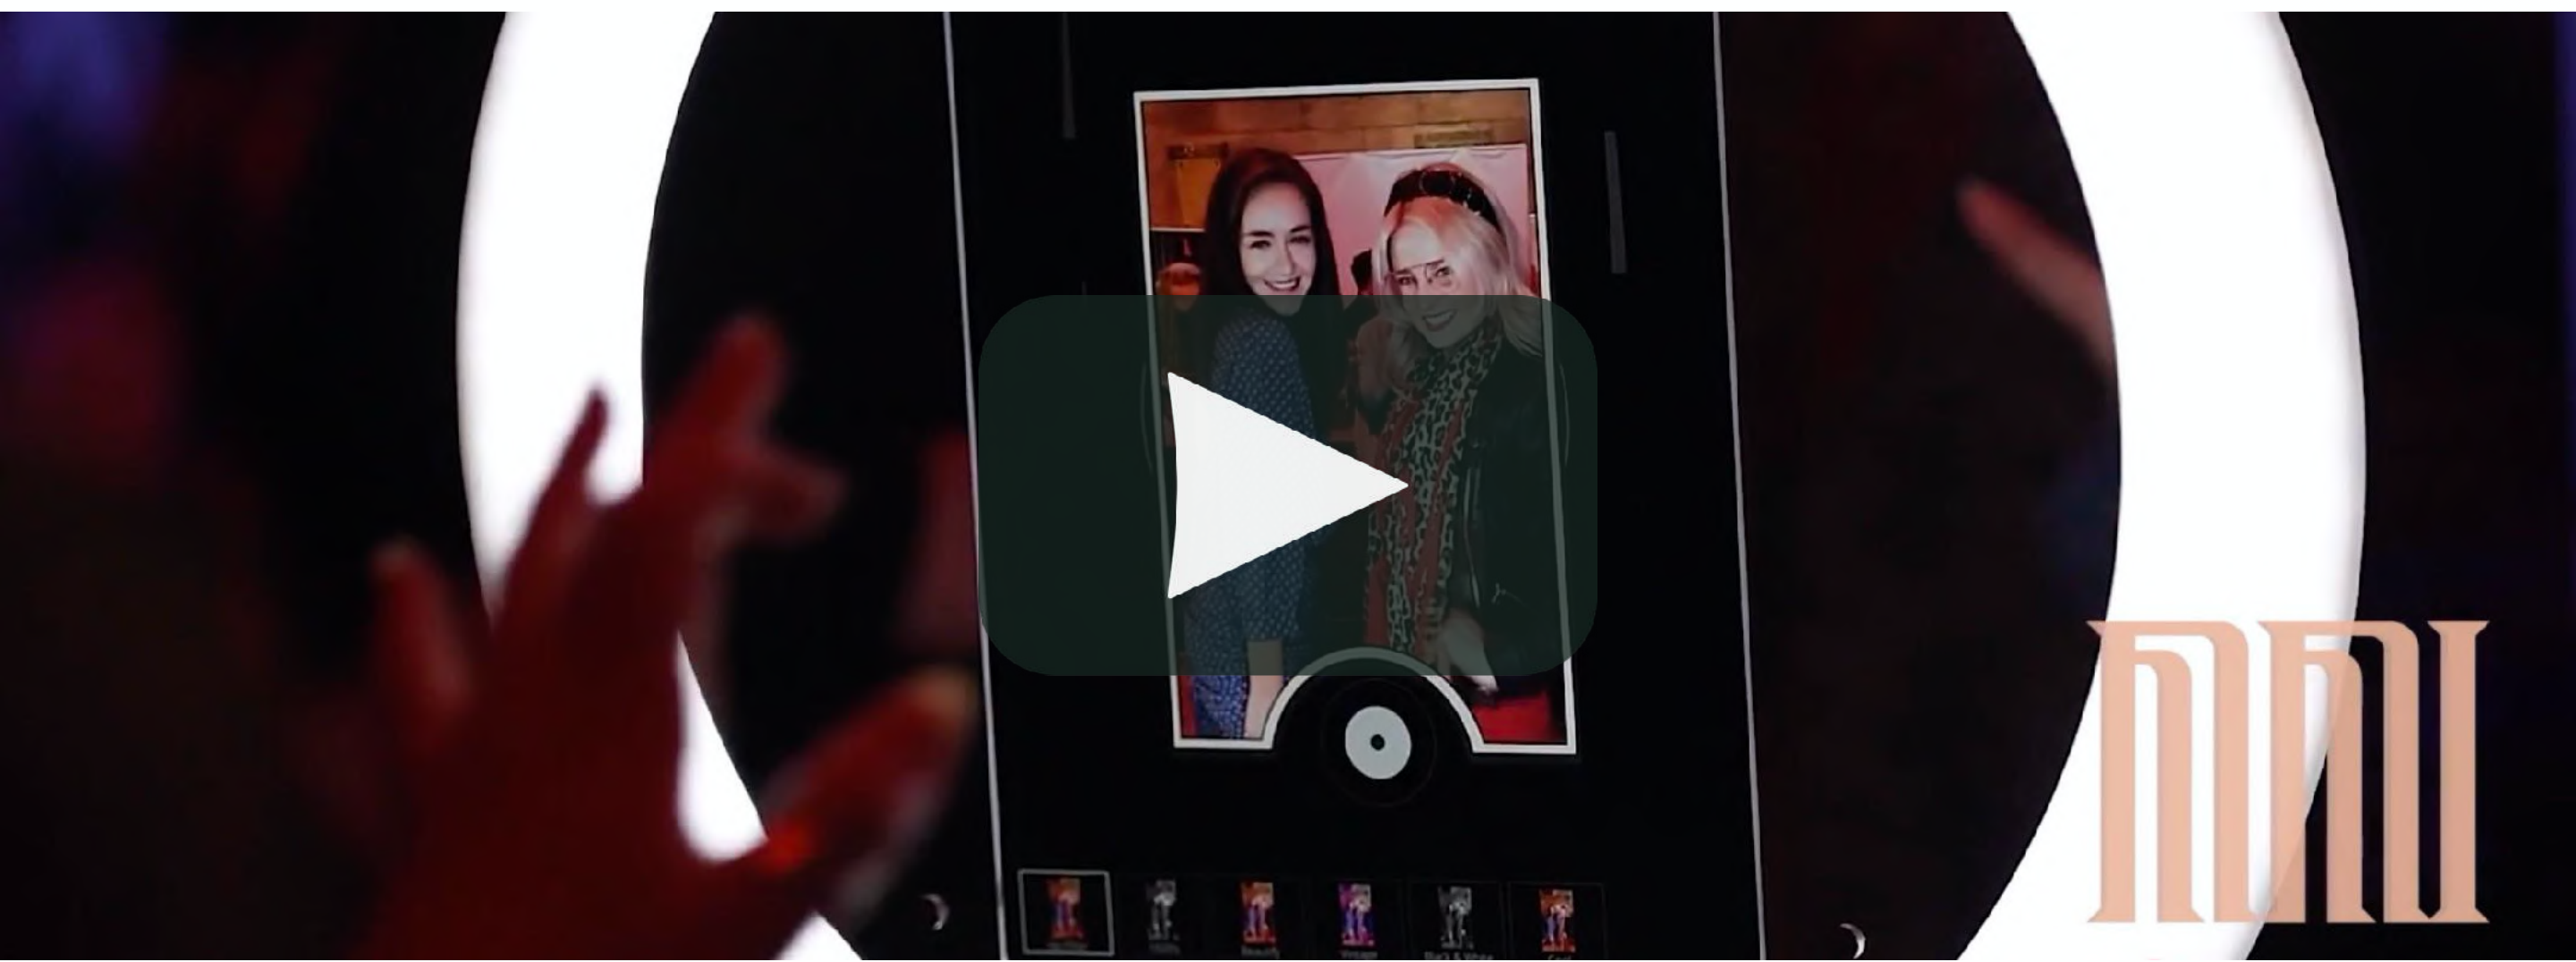

The only photo booth of its kind, the MMI DIGI BOOTH embraces the trend for all things digital and stretches event technology to its limits.

Super fun and engaging, this is an experience the likes of which your guests will never have seen.

Still photos are offered as standard, but the MMI DIGI BOOTH gives guests the option to take a super fast 16-photo burst mode within 4 seconds. This burst is instantly converted into a short video that plays in forward and reverse mode, creating a never-ending loop.

The results are hilarious moving digital videos that push your guests to move, get creative and challenge each other to create the best and quirkiest Boomerang on the day.
